

**PROTECH HEALTH
SCIENCES**

*Crafting your health
supplement with
Protech Health Sciences*

A close-up photograph of tea leaves in a field, with a soft, golden-green glow from the background. The leaves are in sharp focus on the left side, while the rest of the field is blurred.

**Science-Driven.
Market-Ready.
Built for your Brand.**

At Protech Health Sciences

We transform your product ideas into powerful health and wellness solutions. As a trusted OEM & ODM manufacturer based in Malaysia, we specialize in functional food, nutraceuticals, and custom supplement formulations designed to meet the evolving demands of today's consumer.

Backed by GMP-certified facilities, Halal (JAKIM) compliance, and a team of experienced nutritionists, food scientists, and regulatory advisors, Protech is more than just a manufacturer — we are your product development partner.

Whether you are a startup launching your first product or an established brand scaling new SKUs, we're here to guide you from concept to commercialization — faster, safer, and smarter.

From Idea to Impact, with Protech by Your Side.
